# TIME & ATTENDANCE

Eliminate time-consuming manual processes, reduce errors, and gain valuable insights into employee attendance with SmartGov's automated Time & Attendance module.

Human Resources

Improve workforce productivity and optimise labour costs through **efficient time tracking, streamlined scheduling and seamless payroll integration.**

KEY FEATURES

Shift Management
Easily create, schedule and manage employee shifts.

Workforce Management
Centralise employee information, track leave and monitor attendance.

Automated Time & Attendance
Effortlessly track employee hours with accurate clock-in/out data.

Facial Recognition/Biometric Login
Ensure accurate identification and prevent time theft.

Timesheet and Payroll Integration
Streamline payroll processing with automated timesheet data.
